What do I use COSMO for?

Carbon Transport

- ▶ running FLEXPART on COSMO OUTPUT
 - ▶ FLEXPART is a Lagrangian particle dispersion model
- ▶ inverse modeling

Problems

INT2COSMO (a.k.a INT2LM)

- ▶ numerous...
 - ▶ mostly related to user...
- ▶ data prep for COSMO

Solution

The KnotBot

- ▶ caveat: no longer supported. . .

Solution

The upgrade:

- ▶ the **A-bot** (a.k.a. the AnneBot)

Future

- ▶ Further user workshops needed
 - ▶ talk about our usage problems

Mailing lists. . .

- ▶ nice that there haven't been an RT*M answers (**yet**)

Thank you for your attention!
